I hereby request permission from the Historical Resources Center of the Research Medical Library of The University of Texas M. D. Anderson Cancer Center (“HRC”) to publish or to use in facsimile reproduction the material(s) identified on an attached worksheet.<sup>1</sup> By signing this form, I acknowledge that I understand and agree to the following terms and conditions:

- Permission granted is for a single use of the material(s) in a publication, exhibit, or other medium. Subsequent use of the material(s), including reprints or new editions of a publication, requires a separate request for permission to publish.
- HRC retains its right to publish these materials and to grant permission to others to do so.
- I am responsible for publishing or for using in facsimile reproduction these materials in accordance with all applicable law including, without limitation, the copyright protections established in the United States Copyright Law, and I am responsible for obtaining all necessary authorizations and approvals.
- I understand that the Supreme Court of Texas has recognized that living persons enjoy a common-law right to privacy. This right prevents the public disclosure of information that (1) contains highly intimate or embarrassing facts about a person’s private affairs, such that its release would be highly objectionable to a reasonable person and (2) is of no legitimate concern to the public. I understand that documents containing information falling into these categories may be restricted by such law from publication. A request to publish the names or other identifying information about individuals from documents created within the last 75 years which would violate the common-law right to privacy defined above will be denied.
- I understand that the HRC has attempted to remove all Protected Health Information<sup>2</sup> (“PHI”) from HRC materials, but that some PHI may remain in certain collections. I understand and agree that I am prohibited from using or disclosing this PHI without the authorization of the subject of the PHI or that subject’s legal representative.
- I WILL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE UNIVERSITY OF TEXAS M. D. ANDERSON CANCER CENTER AND THE UNIVERSITY OF TEXAS SYSTEM AND THEIR REGENTS, OFFICERS, EMPLOYEES, AND AGENTS AGAINST ALL CLAIMS, DEMANDS, DAMAGES, LIABILITIES, COSTS, AND EXPENSES (INCLUDING WITHOUT LIMITATION, ATTORNEYS’ FEES) INCURRED AS A RESULT OF OR ARISING FROM MY USE OF HRC MATERIALS, INCLUDING, WITHOUT LIMITATION, IN CONNECTION WITH ANY ALLEGED OR ACTUAL COPYRIGHT
